# Hippology and Horse Judging

Horse judging is designed to teach participants good conformation, breed character, and performance ideals in different breeds of horses. This teaches how to evaluate horses based on knowledge and fact, make a decision, and defend it.

Hippology is the title of an equine veterinary and management knowledge contest that is used in 4-H, Future farmers of America, and many horse breed contest. Many youth across the the U.S and in other countries compete to show their knowledge of all things

This year our hippology and horse judging team made it to congress and nationals.
